

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,
and Handling of Food."

11 29 '99 MAY -7 P1 109

I want the FDA to continue prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation.

Your Signature: Robert Schlifer

Additional comments: Not labeling irradiated, and
genetically engineered food products is a crime against
humanity and the environment!
